

# Climate Champions Application Form

The aim of Dane County Climate Champions is to recognize businesses, local governments and nonprofits that are leading on climate change.

Fill out this form to apply for recognition in the NET CARBON EMISSIONS category.

The application deadline is posted online at [DaneClimateAction.org](http://DaneClimateAction.org).

Net Total Carbon Emissions

## Net Total Carbon Emissions

This category will award those organizations that have reduced total emissions compared to their peers. Large entities can upload their data on peer comparisons and, for smaller entities, we will use the Cool Carbon Network Business Emissions Calculator to calculate the "% better than similar businesses" figure of your organization.

If you have already calculated your business' carbon footprint, just upload that data. Otherwise go to: <https://coolclimate.berkeley.edu/business-calculator>

Please fill in the required information for the calculator and click "print (or save as a pdf)" on the page where is says "Carbon Footprint Summary"

Note: If your organization has a similar calculation from a private consultation or organizational audit, please upload your summary of the audit below and report a figure similar to "% better than similar businesses".

6. Please upload a pdf or image of your organizations Carbon Footprint Summary

Files submitted:

7. What is your organization's "% better than similar businesses"?

---

### Final Notes

8. Please upload a photo of your organization. We will use this photo for our Climate Champions map if we recognize your organization as a Climate Champion.

Files submitted:

9. What else should we know about your application? \*
