

How to Save Money & Energy as a Denter

Refer Your Landlord

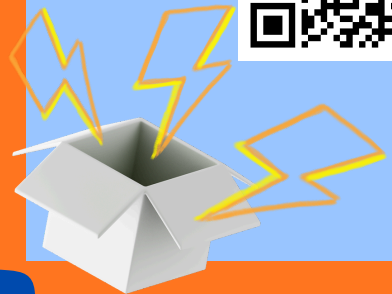

Want your landlord to provide more efficient **heating, cooling, insulation, or appliances**?

Focus on Energy offers resources and incentives to help landlords reduce energy costs while improving building comfort and tenant satisfaction.

Focus on Energy can **reach out to your landlord** on your behalf.

Get a Free Energy Pack

Make your home more energy efficient by ordering one of Focus on Energy's **FREE Energy-Saving Packs** filled with a variety of products that are designed to help you save more at home—all shipped for **free** straight to your doorstep.

Discounts

Energy Bill

MadCAP, a City of Madison program, gives income-qualified residents a **monthly energy bill discount of up to \$30**. Email your application to madcap@cityofmadison.com.

Air Purifier

Focus on Energy provides up to **\$25 off** **qualifying home air purifiers**. Go to the Focus on Energy **Online Marketplace** and make your purchase.

Smart Thermostat

Get a smart thermostat to **use less energy**. You might be eligible for up to **\$105 off** on select thermostats.
